Song title: The Horrible Fanfare/Landslidexoskeleton  
Album: The Information

Standard Tuning

Main riff (it can be heard in the background)

Then:

I took a shot at the little synth riff or whatever.  
Its similar to the one in Cellphone's Dead (You can't hurt  
someone for trying)

This comes randomly throughout the song.  
I think it usually comes in the beginning and end, but I'm not  
sure

Solo/Interlude/whatever you wanna call it:

That also comes randomly in the song
