

Beck - Lost Cause Acoustic

Tom: C

Old song, I know, the other tabs didn't seem right to me, I was listening to the song and wanted to find a way for me to play it on one guitar. Anyhow, I think I combined some of the notes from the second guitar onto the first one, either way, I think this works much better.

One Guitar, no capo, Standard tuning.

(~)= let ring

Intro: Fmaj

C C Fmaj

Fmaj C C Am E

C Fmaj C C Fmaj

Your sorry eyes through the bone

Fmaj C C Am E

Make it hard you alone

C Fmaj C C Fmaj

They leave you here your wounds

Fmaj C C Am E

Waving your guns somebody new

C Fmaj C C Fmaj

Baby you're lost you're loooost

Fmaj C C C

Baby your a lost cause

C Fmaj C C Fmaj

There's too many people know

E Fmaj C C Am

They see you coming you go

C Fmaj C C Fmaj

They know your secrets know their's

E Fmaj C C Am

cares This town is crazy

C Fmaj C C Fmaj

Baby you're lost you're loooost

Fmaj C C C

Baby your a lost cause

C Fmaj C C Fmaj

I'm tired of fighting

E Fmaj C C C

Fighting for a lost cause

A F C C

There's a place where you are going

A F C C

You ain't never been before

E A F C C

At There's no laughing at your back now

Fmaj C C C

There's no one standing at your door

Baby Fmaj C C C

That's what you thought love was for

C Fmaj C C Fmaj

Baby you're lost you're loooost

You use to Fmaj C C C

Baby your a lost cause

C Fmaj C C Fmaj

They see

fighting I'm tired of fighting

Fmaj C C C

Fighting for a lost cause

But you

But nobody

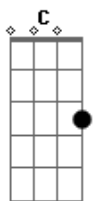

Baby

Tired of

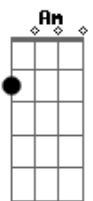

Baby

Tired of
