

# Beck - O Maria

Tom: Ab

(as played on piano)

Am Ab F Am Ab F  
C Bb Am Ab F G

Am Ab F  
there was no one nothing to see  
Am Ab F  
the night is useless and so are we  
C Bb  
cause everybody knows  
Am Ab F G  
the fabric of folly is fallen apart at the seams  
Am C  
and i've been lookin' for a good time  
Am Ab G  
but the pleasures are seldom and few

there's no whiskey there's no wine  
just the concrete and a worried mind  
'cause everybody knows death creeps in slow  
til you feel safe in his arms  
and i've been lookin' for a new friend  
and i don't care if he's decrepit and grey

(trombone solo verse)

o maria haven't you known  
days so careless  
all on your own  
'cause everybody knows the circus is closed  
and the animals have gone wild  
and i've been lookin' for my shadow  
but this place is so bright and so clean

(repeat first verse)
