

# Beck - Paper Tiger

Tom: D

E (E7) Bm  
 Just like a paper tiger  
 Torn apart by idle hands  
 Through the helter skelter morning  
 Fix yourself while you still can  
 No more ashes to ashes  
 No more cinders from the sky  
 All the laws of creation  
 Tell a dead man how to die

Chorus

E C A  
 O deserts down below us  
 E C A  
 And storms up above  
 E C A  
 Like a stray dog gone defective  
 E A G E  
 Like a paper tiger in the sun

Verse

E (E7) Bm  
 Looking through a broken diamond  
 To make the past what it should be  
 Through the ruins and the weather  
 Capsized boats in the sea

Chorus

E C A  
 O deserts down below us  
 E C A  
 And storms up above  
 E C A  
 Like a stray dog gone defective  
 E A G E  
 Like a paper tiger in the sun

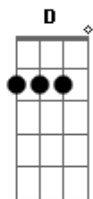

E (E7) Bm  
 We're just holding on to nothing  
 To see how long nothing lasts

Chorus

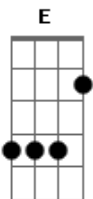

E C A  
 O deserts down below us  
 E C A  
 And storms up above  
 E C A  
 Like a stray dog gone defective  
 E A G E  
 Like a paper tiger in the sun

E (E7) Bm  
 There's one road to the morning  
 There's one road to the truth  
 There's one road back to civilization  
 But there's no road back to you....
