

Bee Gees - And The Sun Will Shine

Tom: G

D7 **G** **D** **Em**
And the rain will fall,
C **D** **G**
it falls for you.

And the clouds will
Bm **Em**
break into tears,
Bm **Em**
you should be here
Bm **Em** **Am7**
standing so near to me.

D7 **Gm**
Cept I know you
F
should be sad.
Eb **Ab**
But give me time alone
Eb **D7**
to get it out of my mind.

Gm
Though I say
F **Bb**
I know it's only the weather.
Eb **Ab**
'Cause every time it rains
Eb
you are gone.
D7
And I'm blue.

Then I wake up,
then I wake up.

G **D** **Em**
And the sun will shine
C **D** **G**
if just for you.

Bm **Em**
And the trees will talk to the skies
Bm **Em**
whispering lies,
Bm **Em** **Am7**
heaven will fly to me, yeah.

D7 **Gm**
Trains walk back
F **Bb**
and the birds disappear.
Eb **Ab**
But why am I still here

Eb **D7**
without you by my side?

Gm
So I cry your name
F
and know,
Eb **Ab** **Eb** **D7**
cause love to me is life and I live you.
Then I wake up,
then I grow up.

G **D** **Em**
And the rain will fall.
C **D** **G**
It falls for you.

Bm **Em**
And the clouds will break.
Bm **Em**
You should be here...
