

# Bee Gees - Angela

Tom: A

<sup>G</sup> An gela, I'm <sup>A</sup> still alive.

<sup>G</sup> An gela, I'm <sup>A</sup> still alive.

<sup>A7</sup> The sun and the <sup>Gbm7</sup> sea,

the darkness and the <sup>E</sup> rain,

all the pain don't get no better, <sup>D7M</sup>

it gets stronger every day. <sup>E</sup>

It happens to be true <sup>Bm7</sup>

that I still pray to you, my love. <sup>A</sup> <sup>A</sup>

Voices in the night don't help <sup>Bm7</sup>

my searching for the truth, my love. <sup>A</sup> <sup>A</sup>

And when I'm lost <sup>D7M</sup>

and high above the storm I hear your name, <sup>E</sup>

I'm empty inside, I'm empty inside, <sup>D7M</sup>

and where are you. <sup>A</sup>

An gela, I'm still a live. <sup>G</sup> <sup>A</sup>

For the two of us, I'm still a live. <sup>G</sup> <sup>A</sup>

<sup>A7</sup> You've got to imagine us, <sup>Gbm7</sup>

all the world was on our side, <sup>E</sup>

<sup>D7M</sup> we had the power of the universe  
and we were ready,

<sup>E</sup> we were ready for the ride.

And moonlight in her hair, <sup>Bm7</sup>

her eyes, the wonder of the age, <sup>A</sup> <sup>A</sup>

but all I mean to you, my love, <sup>Bm7</sup>

is just a spotlight on an empty stage. <sup>A</sup> <sup>A</sup>

And through it all, <sup>D7M</sup>

one fire in the rain

keeps burning on, keeps burning on. <sup>E</sup>

I can't stop my heart, <sup>D7M</sup>

it's beating for you,

reaching for you

<sup>E</sup> but you were gone.

I'm empty inside, I'm empty inside, <sup>D7M</sup>

and where are you. <sup>A</sup>

An gela, I'm still a live. <sup>G</sup> <sup>A</sup>

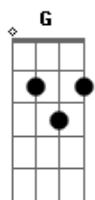

For the two of us, I'm still a live. <sup>G</sup> <sup>A</sup>

<sup>G</sup> Angela, <sup>A</sup> I'm still a live. <sup>F</sup>

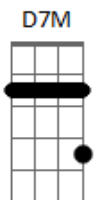

<sup>G</sup> aahh <sup>A</sup> ahh

<sup>G</sup> Angela, <sup>A</sup> I'm still a live
