Gbm Bm Em Gbm Bm Em Gbm Bm Em Gbm Bm Em

You're gonna fix my heart

Gbm Bm Em

You're gonna free my soul

Gbm Bm Em

Not many learn what

Bm

The two of us can do

Em

Or what we do it for

Em

Sign my name

I'm gonna join your club

Gbm Bm Em

You give me love and there's

Bm

Two of us to feel

Just say the word

Em

And I'm giving my love to you

D7 A G7

You got me backtafunk

Gbm Bm

And I'm still turning

Gbm Bm A

Got me backtafunk

Gbm Bm

And I'm still turning

Gbm Bm A

You got me backtafunk

Gbm Bm

I can't explain, no alibi

The rhythm got me paralyzed

You got me

Gbm Bm Em Gbm Bm Em

You call it dé...jà vu

Gbm Bm Em

Of being there before

Gbm Bm Em

So many lose what

Bm

The few of us can find

Em

And never mention

You're gonna break my will

Gbm Bm Em

You're gonna take me down

Gbm Bm Em

So many pay

Bm

When the two of us can steal

Em

So give what I want

Bm

And I could be a king for you

D7 A G7

You got me backtafunk

Gbm Bm

And I'm still turning

Gbm Bm A

Got me backtafunk

Gbm Bm

And I'm still turning

Gbm Bm A

You got me backtafunk

Gbm

I was so disorganized

Rhythm cut me down to size

You got me

Help me I'm in trouble deep

High as I can go

It's no crime

There may be love on the street

And I'm bad enough

You got me drowning in my sleep

But I will find you when I wake

And it's time

Gbm Bm Gbm Bm A Gbm Bm Gbm Bm A

(Bm) Em Gbm Bm A C7

You got me...
