You're gonna fix my heart

Gbm Bm Em

You're gonna free my soul

Gbm Bm Em

Bm

Not many learn what

Em

The two of us can do

Em

Or what we do it for

Gbm Bm Em

Sign my name

Gbm Bm Em

I'm gonna join your club

Bm

You give me love and there's

Two of us to feel

Bm

Just say the word

D7 A G7

And I'm giving my love to you

Gbm Bm

You got me backtafunk

Gbm Bm A

And I'm still turning

Gbm Bm

Got me backtafunk

Gbm Bm A

And I'm still turning

Gbm Bm

You got me backtafunk

I can't explain, no alibi

Bm A Gbm

The rhythm got me paralyzed

Bm Gbm Bm A

You got me

Gbm Bm Em Gbm Bm Em

Gbm Bm Em

You call it dé...jà vu

Gbm Bm Em

Of being there before

Bm

So many lose what

Em

The few of us can find

Em

And never mention

Gbm Bm Em

You're gonna break my will

Gbm Bm Em

You're gonna take me down

Bm

So many pay

Em

When the two of us can steal

Bm

So give what I want

D7 A G7

And I could be a king for you

Gbm Bm

You got me backtafunk

Gbm Bm A

And I'm still turning

Gbm Bm

Got me backtafunk

And I'm still turning

Gbm

You got me backtafunk

Bm Gbm

I was so disorganized

Bm A Gbm

Rhythm cut me down to size

Bm Gbm Bm A

You got me

Bb

Help me I'm in trouble deep

Bb7

High as I can go

D7 Bm

It's no crime

Em

There may be love on the street

G

And I'm bad enough
