Summer nights

And we listened

to music the ocean was playing,

the words that our two hearts were saying,
Gm7 **C7** **F7M** **A7** sus4
that only two lovers can hear.

Let us ride on the wind,
D
while this moment is real.

You're the light of my life.
D **A7M**
You are welcome to my charade.

A7 **D7M**
And this feeling,
Dbm7 **C7-** **Bm** **E7**
knowing you blessed me forev er.

And believe me,

I have been touched by your love.

And the pleasure

of knowing that evening
Dbm **Cm**
won't tear us apart.
