

Bee Gees - Cherry Red

Tom: D

Inicio: D

Where are you
 Cherry red , sweeter than the honeycomb
 Sweeter still when we're alone
 Cherry red, my cherry red
 Turquoise green , greener than the deeper sea
 Greener still when she's with me
 Cherry red , my cherry red

I wonder why (wonder why)
 The stars that night shine big and bright for me
 I wonder why (wonder why)

Em A Em A Em A A7 Gbm Em
 She's true to me the way that she will always be
