

# Bee Gees - Edge Of The Universe

Tom: D

**D**  
Just my dog and I  
**G** at the edge of the universe.  
**D** Well, I didn't wanna bring her  
**G** and I know it'll make her worse.

**Em** Now I look out on forever  
**Em** and it must be nice down there.  
**Em** And they call me Shenandora in the air. **D**

Well, I'm ten feet tall,  
but I'm only three feet wide.  
And I live inside an ocean that flows  
on the other side.

If I came back down  
would it all be far too soon?  
And it looks like it's gonna be a lovely afternoon.

**B** I thought that I was going home,  
**E** **Gb** **B**

and all the way I kept on prayin'.  
**E** I couldn't stop to turn around;  
**Gb** **B**  
**E** well, here I am and here I'm stayin'. **G** **A**

It's been my longest journey  
and I've come through the black of night.  
I was tired and hungry  
when I saw your distant light.

Well, I know this may sound crazy,  
but I'm sure I got here first.  
I'm just me, Shenandora,  
at the edge of the universe.

I thought that I was going home,  
and all the way I kept on prayin'.  
I couldn't stop to turn around;  
well, here I am and here I'm stayin'.

Just my dog and I  
at the edge of the universe.  
Well, I didn't wanna bring her  
and I know it'll make her worse.

Now I look out on forever  
and it must be nice down there.  
And they call me Shenandora in the air.

At the edge of the universe...
