

Bee Gees - Fallen Angel

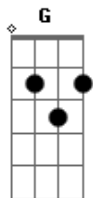

tom:
 Fool in the night on the stair
 With the light by the window
 Out in the jungle of life she was
 Yearning to go
 All of the years I've been there for the tears
 She will sell you
 Out in the city she search for the face
 That she knew
 Did you believe that a love so alive
 Could be over?
 Caroline
 Fallen angel
 Caroline
 Oh oh oh, oh oh oh
 Oh oh oh oh
 Fallen angel
 I'm so lost
 Tonight, lonely tonight
 Lonely tonight
 Fool is the father who clings to the
 Child he is losing
 Mother too weary to question
 The wisdom of youth
 There with your head in your hand

As you pray to her picture
 Out in the rain she would search
 For somebody to hold
 Did you believe you could find
 What you need with a stranger?
 Caroline
 Fallen angel
 Caroline
 Oh oh oh, oh oh oh
 Oh oh oh oh
 Fallen angel
 I'm so lost
 Tonight, lonely tonight
 Lonely tonight
 Did you believe that a love so alive
 Could be over?
 Caroline
 Fallen angel
 Caroline
 Oh oh oh, oh oh oh
 Oh oh oh oh
 Fallen angel
 I'm so lost
 Tonight, lonely tonight
 Lonely tonight
