

# Bee Gees - Fallen Angel

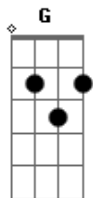

tom:  
 Fool in the night on the stair  
 With the light by the window  
 Out in the jungle of life she was  
 Yearning to go  
 All of the years I've been there for the tears  
 She will sell you  
 Out in the city she search for the face  
 That she knew  
 Did you believe that a love so alive  
 Could be over?  
 Caroline  
 Fallen angel  
 Caroline  
 Oh oh oh, oh oh oh  
 Oh oh oh oh  
 Fallen angel  
 I'm so lost  
 Tonight, lonely tonight  
 Lonely tonight  
 Fool is the father who clings to the  
 Child he is losing  
 Mother too weary to question  
 The wisdom of youth  
 There with your head in your hand

As you pray to her picture  
 Out in the rain she would search  
 For somebody to hold  
 Did you believe you could find  
 What you need with a stranger?  
 Caroline  
 Fallen angel  
 Caroline  
 Oh oh oh, oh oh oh  
 Oh oh oh oh  
 Fallen angel  
 I'm so lost  
 Tonight, lonely tonight  
 Lonely tonight  
 Did you believe that a love so alive  
 Could be over?  
 Caroline  
 Fallen angel  
 Caroline  
 Oh oh oh, oh oh oh  
 Oh oh oh oh  
 Fallen angel  
 I'm so lost  
 Tonight, lonely tonight  
 Lonely tonight
