E B  
 I stumble in the night  
 Never really knew what it would've been like  
 A B E A  
 You're no longer there to break my fall  
 E B  
 The heartache over you  
 I gave it everything but I couldn't get through  
 Gbm  
 I never saw the signs  
 A  
 You're the last to know when love is blind  
 E B  
 All the tears and the turbulent years  
 A B  
 When I would not wait for no one  
 E B  
 I didn't stop, take a look at myself  
 A A  
 And see me losing you  
 A  
 When the lonely heart breaks  
 Gbm  
 It's the one that forsakes  
 B E E E  
 It's the dream that we stole  
 A  
 And I'm missing you more  
 Gbm  
 And the fire that will roar  
 B E E E  
 There's a hole in my soul  
 A  
 For you it's goodbye  
 Gbm  
 And for me it's to cry  
 B E  
 For whom the bell tolls  
 E A E A A E Gbm A  
 E B  
 Seen you in a magazine  
 A A  
 A picture at a party where you shouldn't have been  
 B E  
 Hanging on the arm of someone else  
 E B  
 I'm still in love with you  
 A  
 Won't you come back to your little boy blue  
 Gbm  
 I've come to feel inside  
 A  
 This precious love was never mine  
 E B  
 Now I know but a little too late  
 A B  
 That I could not live without you  
 E B  
 In the dark of the broad daylight  
 A A  
 I promise I'll be there  
 A  
 When the lonely heart breaks  
 Gbm
