

Bee Gees - Heart Like Mine

Tom: G

^G ^C
Night grows cold,
^G ^D
I've been lonely so much
^G ^C
out of reach,
^G ^D
save it only for me

^G ^D
Nothing in life is the same
^{Am} ^C
and the sooner we stop to start

^G ^D ^C
and there's a heart like mine
^G ^D
somewhere in this world
^G ^D ^C
there's a heart like mine
^G ^D
beating but left to burn

^G ^C
Maybe you can hide your face forever
^D
God Knows it's true
^G ^C
that when you search for someone

^C ^G ^D
there's a heart like mine
^C ^D
there's a heart like mine,
^G
to be heard

^G ^C
Souls on fire
^G ^D
feel her voice in your ear
^G ^C
she goes on
^G ^D
living only for me

^G ^D
nothing you say could be wrong
^{Am} ^C
'cause you give me the lovers sign
^G ^D ^C

and there's a heart like mine
^G ^D
somewhere in this world
^G ^D ^C
there's a heart like mine
^G ^D
beating but left to burn

^G ^C
Maybe we can share it all forever
^D
but not til we do
^G ^C
I'm gonna search for someone

^D ^C ^G
there's a heart like mine
^D ^C
there's a heart like mine,
^G
to be heard
^G ^C
and baby are we waking up together
^D
'cause God knows it's you
^G ^C
if there is love for someone

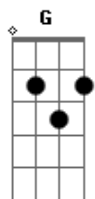

^G ^D ^C
and there's a heart like mine
^G ^D
somewhere in this world
^G ^D ^C
there's a heart like mine
^G ^D
beating but left to burn

^G ^C
Maybe we can share it all forever
^D
but not til we do
^G ^C
I'm gonna search for someone

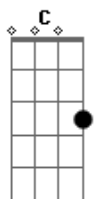

^D ^C ^G
there's a heart like mine
^D ^C
there's a heart like mine,
^G
to be heard

^D ^C ^G
there's a heart like mine
^D ^C
there's a heart like mine,
