

# Bee Gees - How Deep Is Your Love

tom: G

I know your eyes in the morning sun  
 I feel you touch me in the pouring rain  
 And the moment that you wander far from me  
 I wanna feel you in my arms again  
 And you come to me on a summer breeze  
 Keep me warm in your love, then you softly leave  
 And it's me you need to show  
 How deep is your love?  
 How deep is your love?  
 How deep is your love?  
 I really mean to learn  
 Cause we're living in a world of fools  
 Breaking us down when they all should let us be  
 We belong to you and me  
 I believe in you  
 You know the door to my very soul
