

# Bee Gees - I Can't Let You Go

Tom: Bb

<sup>Gm</sup> Do you love me woman, <sup>C</sup> truly do you?

<sup>Gm</sup> Can you feel this feeling going through you?

<sup>F</sup> Are you of the mind

<sup>Dm</sup> that we could live together through this night?

<sup>F</sup> Or tell me you're my virgin queen

<sup>Am</sup> and it may not be right.

But don't make me say. <sup>Eb</sup>

I can't let you go. <sup>Bb</sup>

And it's breaking me down, <sup>Eb</sup>

just thinking of your face, <sup>Bb</sup>

and it won't be around. <sup>Eb</sup>

Just look at me now. <sup>G</sup>

I feel a stranger inside, <sup>Cm</sup>

<sup>Ab7</sup> stealing my pride.

<sup>F</sup> I can't let you go. <sup>Bb</sup>

<sup>Eb</sup> And it's breaking me down <sup>Bb</sup>

<sup>Eb</sup> 'cause you won't be around. <sup>Bb</sup>

<sup>Gm</sup> When all this world of ours

<sup>C</sup> is falling apart,

<sup>Gm</sup> I'll keep on hanging on

<sup>C</sup> and fixing my heart.

<sup>F</sup> <sup>Dm</sup>

'Cause everyone is just like me

they're praying in the sun. <sup>Am</sup> <sup>Bb</sup>

<sup>F</sup> And I may be that lucky man <sup>Gm</sup>

surviving when they're gone. <sup>Am</sup> <sup>Bb</sup>

But don't make me say. <sup>Eb</sup>

I can't let you go. <sup>Bb</sup>

And it's breaking me down, <sup>Eb</sup>

just thinking of your face, <sup>Bb</sup>

and it won't be around. <sup>Eb</sup>

Just look at me now. <sup>G</sup>

I feel a stranger inside, <sup>Cm</sup>

<sup>Ab7</sup> stealing my pride.

<sup>F</sup> I can't let you go. <sup>Bb</sup>

<sup>Eb</sup> And it's breaking me down <sup>Bb</sup>

<sup>Eb</sup> 'cause you won't be around. <sup>Bb</sup>

Just look at me now. <sup>G</sup>

I feel a stranger inside, <sup>Cm</sup>

<sup>Ab7</sup> stealing my pride.

<sup>F</sup> I can't let you go. <sup>Bb</sup>

<sup>Eb</sup> And it's breaking me down <sup>Bb</sup>

<sup>Eb</sup> 'cause you won't be around. <sup>Bb</sup>

<sup>Eb</sup> Just look at me now. <sup>G</sup>

I can't let you go. <sup>Eb</sup>

**E<sub>b</sub>** **G**  
Just look at me now.

I can't let you go.

**E<sub>b</sub>** **G**  
Just look at me now.

I can't let you go...
