

# Bee Gees - I Started a Joke

tom:  
[Intro] C Em F G

C Em F G  
I started a joke  
Which started the whole world crying  
But I didn't see  
That the joke was on me, oh no

C Em  
I started to cry  
Which started the whole world  
Laughing  
Oh, if I'd only seen  
That the joke was on me

Am Em  
I looked at the sky  
Running my hands over my eyes  
And I fell out of bed  
Hurting my head

From things that I'd said

C Em  
'Til I finally died  
Which started the whole world living  
Oh, if I'd only seen  
That the joke was on me

Am Em  
I looked at the skies  
Running my hands over my eyes  
And I fell out of bed  
Hurting my head  
From things that I'd said

C Em  
'Til I finally died  
Which started the whole world living  
Oh, if I'd only seen  
That the joke was on me

G C Em F G  
That the joke was on me

[Final] C Em F G C
