Bee Gees - I Started A Joke

Tom: G
Intro: G Bm C D (2x)

(Riff)

Verso 1:

```
     G              Bm
     I started a joke
       C           D         G      Bm   C
     Which started the whole world crying
         D       G  Bm  C
     But I didn't see
               D         G  Bm  C  D
     That the joke was on me, oh no
```

Verso 2:

```
      G              Bm
      I started to cry
        C           D         G      Bm   C
      Which started the whole world laughing
            D       G  Bm  C
      Oh, if I'd only seen
              D         G  Bm  C
      That the joke was on me
```

Refrão:

```
     Em             Bm
     I looked at the skies
                  C        G
     Running my hands over my eyes
```

```
          Bm           Em
     And I fell out of bed
                    Am
     Hurting my head
                          D
     From things that I'd said
```

Verso 3:

```
          G           Bm
     'Til I finally died
       C           D         G      Bm   C
     Which started the whole world living
           D       G  Bm  C
     Oh, if I'd only seen
                D         G  Bm  C
     That the joke was on me
```

(Refrão)

Final:

```
          G           Bm
     'Til I finally died
       C           D         G      Bm   C
     Which started the whole world living
           D       G  Bm  C
     Oh, if I'd only seen
                D         G  Bm  C
     That the joke was on me, oh no
        D         G  Bm  C  D
     That the joke was on meeeeeeeeeeeeeeeeeeee
     G  Bm  C  D  G
     Oh...
```
