

# Bee Gees - Idea

Tom: **C**

**E** I've been thinking sitting on a pole.

I'm getting sick of doing what I'm told.

**A** Just me and the mirror and my brain.

**C** But that was when I **G** got an idea.

**Bb** Came like a gun and **F** shot in my ear.

**G** Don't you think it's time you got up and **A** stood alone?

**E** Fifteen years I lay down on the ground.

I couldn't feel any noise or hear any sound.

**A** Fifteen million years I spent down the line.

**C** **G**

But that was when I got an idea.

**Bb** Came like a gun and **F** shot in my ear.

**G** Don't you think it's time you got up and **A** stood alone?

**G** Get up and **A** stand alone.

Aah...

**C** That was when I **G** got an idea.

**Bb** Came like a gun and **F** shot in my ear.

**G** Don't you think it's time you got up and **A** stood alone?

**G** Get up and **A** stand alone.

**E** I got an idea... **D**
