I could be king of kings

Wear a crown and all the things

and every year I'd fly to Spain

If I could get the nerve

to plant the seed

Em7 Em D7M
Oh, tell me how to say goodbye

Em7 D7M
I see her face in myself

Em7 A7 D7M
Why, tell me why I made her cry...

Em7 D7M

If only had my mind on something else

D Gbm
Captain of the submarine

Bm D
beneath the icebergs never seen

Em DM7
A hero with a medal for everyday

I find me fame, reach the top

I keep on pushing, never stop

If I could just forget her name

Em7 Em D7M
Oh, tell me how to say goodbye

Em7 D7M
I see her face in myself

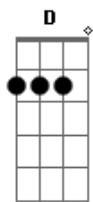

Em7 A7 D7M
Why, tell me why I made her cry...

Em7 D7M
If only had my mind on something else...

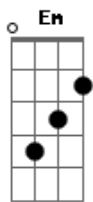

Em7 D
If only had my mind on something else...

D D7M D D
Dudu dudu... dudu... dudu...
