

# Bee Gees - If Only I Had My Mind On Something Else

Tom: **D**

**D** **D** **D** **D**  
Dudu dudu... dudu... dudu...

**D** **D** **D** **D**  
Dudu dudu... dudu... dudu...

**D** **Gbm**  
I could be king of kings

**Bm** **Gbm**  
Wear a crown and all the things

**Em** **D**  
I'd want I'd never need

**D** **Gbm**  
I'd be an ace in an aeroplane

**Bm** **Gbm**  
and every year I'd fly to Spain

**Em**  
If I could get the nerve

**D**  
to plant the seed

**Em** **Em** **D**  
Oh, tell me how to say goodbye

**Em** **D**  
I see her face in myself

**Em** **A7** **D**  
Why, tell me why I made her cry...

**Em** **D**

If only had my mind on something else

**D** **Gbm**  
Captain of the submarine

**Bm** **D**  
beneath the icebergs never seen

**Em** **DM7**  
A hero with a medal for everyday

**D** **Gbm**  
I find me fame, reach the top

**Bm** **Gbm**  
I keep on pushing, never stop

**Em** **D**  
If I could just forget her name

**Em** **Em** **D**  
Oh, tell me how to say goodbye

**Em** **D**  
I see her face in myself

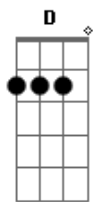

**Em** **A7** **D**  
Why, tell me why I made her cry...

**Em** **D**  
If only had my mind on something else...

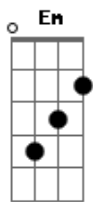

**Em** **D**  
If only had my mind on something else...

**D** **D** **D** **D**  
Dudu dudu... dudu... dudu...
