

# Bee Gees - I.O.I.O

Tom: E

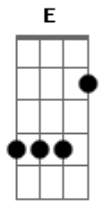

E Dbm  
I.O.I.O.

E Dbm  
You know I love getting up in the morning  
When the sun first strikes the trees  
A Abm  
All the morning birds that sing above  
Gbm B7  
Still bring back memories  
Dbm E  
Of a girl who stood beside me  
Dbm E  
When the rights I did were wrong  
A Abm  
But she went back down the river  
Gbm B7  
Just when I thought I could be strong  
Gbm E  
When I thought I could be strong, so I sing

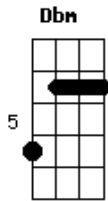

E Dbm  
I.O.I.O.

E Dbm  
She never told me why she left me  
E Dbm  
But the letter said goodbye  
A Abm  
Now my mornings are for wond'ring  
Gbm B7  
And my nights to reason why  
Dbm E  
Why a stranger comes to steal the love  
Dbm E  
Of a girl I had to hold  
A Abm  
But she went back down the river  
Gbm B7  
Just when I thought I could be strong  
Gbm E  
When I thought I could be strong, so I sing  
I.O.I.O.
