

# Bee Gees - I've Come Back

Tom: D

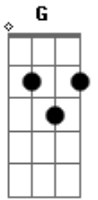

<sup>D</sup>  
 I can find my way around town  
<sup>D</sup> I ain't blind, I've been here before  
<sup>D</sup> No-one knows when I feel down  
<sup>D</sup> It's hard to laugh when you know the score  
<sup>D</sup> But I know that she'll always be  
<sup>G</sup> Waiting here for me  
<sup>G</sup> Is it true to say that she's the one that I love  
<sup>D</sup> It's plain to see  
<sup>D</sup> No-one knows that I have left town  
<sup>D</sup> I've come back as to face the fact

<sup>D</sup> Trying easy on your own ground  
<sup>D</sup> It's plain to see: love is what a lie  
<sup>D</sup> No-one knows when I feel down  
<sup>D</sup> It's hard to laugh when you know the score  
<sup>D</sup> Yes, it's hard to laugh when you know the score  
<sup>D</sup> But I know that she'll always be  
<sup>G</sup> Waiting here for me  
<sup>G</sup> Is it true to say that she's the one that I love  
<sup>D</sup> It's plain to see  
<sup>G</sup> She knows that I have left  
<sup>A</sup> I've come back
