

# Bee Gees - I've Come Back

Tom: D

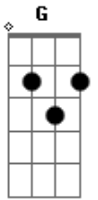

<sup>D</sup>  
 I can find my way around town <sup>G</sup>  
<sup>D</sup>  
 I ain't blind, I've been here before  
<sup>D</sup> <sup>G</sup>  
 No-one knows when I feel down  
<sup>D</sup>  
 It's hard to laugh when you know the score <sup>G</sup>  
<sup>D</sup> <sup>C</sup>  
 But I know that she'll always be  
<sup>G</sup> <sup>D</sup>  
 Waiting here for me  
<sup>G</sup> <sup>C</sup> <sup>G</sup>  
 Is it true to say that she's the one that I love  
<sup>D</sup>  
 It's plain to see  
<sup>D</sup> <sup>G</sup>  
 No-one knows that I have left town  
<sup>D</sup> <sup>G</sup>  
 I've come back as to face the fact

<sup>D</sup> <sup>G</sup>  
 Trying easy on your own ground  
<sup>D</sup> <sup>G</sup>  
 It's plain to see: love is what a lie  
<sup>D</sup> <sup>G</sup>  
 No-one knows when I feel down  
<sup>D</sup> <sup>G</sup>  
 It's hard to laugh when you know the score  
<sup>D</sup> <sup>G</sup>  
 Yes, it's hard to laugh when you know the score  
<sup>D</sup> <sup>C</sup>  
 But I know that she'll always be  
<sup>G</sup> <sup>D</sup>  
 Waiting here for me  
<sup>G</sup> <sup>C</sup> <sup>G</sup>  
 Is it true to say that she's the one that I love  
<sup>D</sup>  
 It's plain to see  
<sup>G</sup>  
 She knows that I have left  
<sup>A</sup> <sup>D</sup>  
 I've come back
