 Listen to the tune; and if it's loud, it's up to you.  
<sup>D</sup>  
 It's only sounder than a sparrow and it shoots a bow and  
 arrow.

 Through a song that's like a powder with a gun that's  
 even louder.  
<sup>G</sup>  
 And it's sad enough to hear you must a listen with your  
 ear.  
<sup>D7</sup>  
 in order to get to you.
