

# Bee Gees - Lovers And Friends

Tom: G  
Intro: Am G D

<sup>D</sup>  
Many are the nights I lie awake,  
I listen to each breath you take  
<sup>G</sup>  
And when your world is cold,  
and you've got no place to go, look for me <sup>D</sup>

<sup>D</sup>  
Many are the moment we're apart,  
I'm half myself, I've got no heart  
<sup>G</sup>  
When my world is cold,  
and I've got no place to go, look for me <sup>D</sup>

<sup>A</sup> <sup>Bm</sup>  
Dreams can die be-fore their born,  
<sup>A</sup> <sup>Bm</sup>  
truth is on the wind,  
<sup>A</sup> <sup>Bm</sup>  
And while we've got each other's souls,  
<sup>G</sup> <sup>A</sup>  
we've got everything

(Chorus)

<sup>D</sup> <sup>Bm</sup>  
Lovers and friends, taken from high above,  
<sup>G</sup> <sup>A</sup>  
I become yours tonight, Tell me it's me you love  
<sup>D</sup> <sup>E</sup>  
Lovers and friends, bound by each other's souls,  
<sup>D</sup>  
And I'm bound to hold you in my hand,

<sup>A</sup> <sup>G</sup>  
And I'll make you understand, and I'll never let you go.

<sup>D</sup>  
Many are the nights I fly alone,  
I dream of you, I dream of home  
<sup>G</sup>  
And it all gets sold away,  
and you don't hear a thing I say, come to me <sup>D</sup>

<sup>A</sup> <sup>Bm</sup>  
Here is life and then it's gone,  
<sup>A</sup> <sup>Bm</sup>  
it's just that way for everyone,  
<sup>A</sup>  
the sun will set on our love everyday

<sup>D</sup> <sup>Bm</sup>  
Lovers and friends, we've only just begun,  
<sup>G</sup> <sup>A</sup>  
as tall as the mountain high, as long as the river runs

<sup>D</sup> <sup>E</sup>  
Lovers and friends, bound by each other's souls

<sup>D</sup>  
And I'm bound to hold you in my hand  
and I'll make you understand  
<sup>G</sup> <sup>D</sup>  
And I'll never say goodbye, ... I'll never let you go

(Heavenly angels hard to find, they are of the special  
kind,  
<sup>D</sup> <sup>G</sup>  
someone playing on your mind, love is never far behind)  
REPEAT

## Acordes
