Who is the girl with the cry ing face  
 looking at millions of signs?  
 She knows that life is a run ning race,  
 her face shouldn't show any lines.

Melody Fair, won't you comb your hair? Ah...  
 You can be beautiful too.  
 Melody Fair, remember you're only young once.  
 Melody Fair, remember you're only a girl.

Ah...  
 Who is the girl at the win dow pane  
 watching the rain falling down?  
 Melody, life isn't like the rain,  
 it's just like a merry-go-round.

Melody Fair, won't you comb your hair? Ah...  
 You can be beautiful too.  
 Melody Fair, remember you're only young once.  
 Melody Fair, remember you're only a girl.

Ah...  
 Who is the girl with the cry ing face  
 looking at millions of signs?  
 She knows that life is a run ning race,  
 her face shouldn't show any lines.

Melody Fair, won't you comb your hair? Ah...  
 You can be beautiful too, too, too, too, too.  
 Melody Fair, remember you're only young once.  
 Melody Fair, remember you're only a girl.  
 Ah....
