

# Bee Gees - Miracles Happen

Tom: D

<sup>Em</sup>  
Miracles happen,  
  
you know miracles happen.<sup>Bm</sup>

<sup>Em</sup>  
Miracles happen,  
  
you know miracles happen.<sup>Bm</sup>

<sup>D</sup>  
If we just try  
  
we can put it back together, you and I.<sup>G Gbm</sup>  
  
And all the bad is blown away.<sup>Bm Em</sup>  
  
I never said goodbye.<sup>G D</sup>

<sup>G</sup>  
Is the writing on the wall  
  
that makes you see.<sup>Gbm</sup>  
  
And it's the saviour of my soul.<sup>Bm</sup>  
  
And what I say that must be heard<sup>Em</sup>  
  
with love in every word.

<sup>D A</sup>  
Close your eyes, don't let go,  
  
<sup>Bm Gbm</sup>  
don't get lost in the falling snow.

<sup>G</sup>  
Always out of place alone,  
  
<sup>A</sup>  
with someone you're not sure of.

<sup>D A</sup>  
Broken wings don't arrive.  
  
<sup>Bm Gbm</sup>  
It's a storm but you still survive.  
  
<sup>G</sup>  
It's gonna take a miracle.

<sup>D A</sup>  
So I go around believing you.  
  
<sup>Bm A</sup>  
I say good night, stay forever and

<sup>G</sup>  
nobody knows how much  
  
<sup>A</sup>  
I pray for you at night.  
  
<sup>Em</sup>  
And miracles happen,  
  
<sup>Bm</sup>  
you know miracles happen.  
  
<sup>D</sup>  
And yesterday  
  
<sup>G Gbm</sup>  
there was nothing in my life worth living for.  
  
<sup>Bm Em</sup>  
You were there and I was born,  
  
<sup>Em</sup>  
the very strength to carry on  
  
a miracle has come.

<sup>E B</sup>  
Hold on tight, call my name,  
  
<sup>Dbm Abm</sup>  
don't get caught in the midnight rain.

<sup>A</sup>  
Part of me believes in you,  
  
<sup>B</sup>  
you're someone I'm not sure of.

<sup>E B</sup>  
Don't look down, I'll be there,  
  
<sup>Dbm Abm</sup>  
like the wind in the cold night air.

<sup>A</sup>  
I can see a miracle.

<sup>E B</sup>  
And through it all we rise and fall,  
  
<sup>Dbm B</sup>  
tear it apart and stay forever.

<sup>A</sup>  
And I know where heaven is  
  
<sup>B</sup>  
and somewhere in between  
  
<sup>Em</sup>  
miracles happen,

<sup>A Em</sup>  
you know miracles happen.

<sup>A</sup>  
  
<sup>Em</sup>  
Red, blue, black and white.

**A**  
True light shine on anyone.

**Em**  
Two hearts make it right.

**A**  
And all that love can change.

**A**  
And I know where heaven is

**B**  
and somewhere in between

miracles happen.

**E** **B**  
Close my eyes, don't let go.

**Dbm** **Abm**  
I'll be lost in the falling snow.

**E** **B**  
Hold on tight, call my name,

**Dbm** **Abm**  
don't get caught in the midnight rain.

**A**  
Always out of place alone,

**B**  
with someone I'm not sure of.

**A**  
Part of me believes in you,

**B**  
you're someone I'm not sure of.

**E** **B**  
Don't look down, I'll be there

**Dbm** **Abm**  
like the wind in the cold night air.

**E** **B**  
Don't look down, I'll be there,

**Dbm** **Abm**  
like the wind in the cold night air.

**A**  
I can see a miracle.

**A**  
I can see a miracle.

**E** **B**  
And through it all we rise and fall.

**Dbm** **B**  
We tear it apart and stay forev er.

**E** **B**  
Close my eyes, don't let go.

**Dbm** **Abm**  
I'll be lost in the falling snow....

## Acordes
