

Bee Gees - Miracles Happen

Tom: D

^{Em}
Miracles happen,
^{Bm}
you know miracles happen.

^{Em}
Miracles happen,
^{Bm}
you know miracles happen.

^D
If we just try
^G ^{Gbm}
we can put it back together, you and I.

^{Bm} ^{Em}
And all the bad is blown away.

^G ^D
I never said goodbye.

^G
Is the writing on the wall
^{Gbm}
that makes you see.

^{Bm}
And it's the saviour of my soul.

^{Em}
And what I say that must be heard

with love in every word.

^D ^A
Close your eyes, don't let go,

^{Bm} ^{Gbm}
don't get lost in the falling snow.

^G
Always out of place alone,

^A
with someone you're not sure of.

^D ^A
Broken wings don't arrive.

^{Bm} ^{Gbm}
It's a storm but you still survive.

^G
It's gonna take a miracle.

^D ^A
So I go around believing you.

^{Bm} ^A
I say good night, stay forever and

^G
nobody knows how much

^A
I pray for you at night.

^{Em}
And miracles happen,

^{Bm}
you know miracles happen.

^D
And yesterday

^G ^{Gbm}
there was nothing in my life worth living for.

^{Bm} ^{Em}
You were there and I was born,

^{Em}
the very strength to carry on

a miracle has come.

^E ^B
Hold on tight, call my name,

^{Dbm} ^{Abm}
don't get caught in the midnight rain.

^A
Part of me believes in you,

^B
you're someone I'm not sure of.

^E ^B
Don't look down, I'll be there,

^{Dbm} ^{Abm}
like the wind in the cold night air.

^A
I can see a miracle.

^E ^B
And through it all we rise and fall,

^{Dbm} ^B
tear it apart and stay forever.

^A
And I know where heaven is

^B
and somewhere in between

^{Em}
miracles happen,

^A ^{Em}
you know miracles happen.

^A

^{Em}
Red, blue, black and white.

A
True light shine on anyone.

Em
Two hearts make it right.

A
And all that love can change.

E **B**
Close my eyes, don't let go.
