

Bee Gees - Morning of My Life

Tom: G

In the morning, when the moon is at it's rest.
 You will find me at the time I love the best.
 Watching rainbows play on the sunlight
 Pools of water iced from the cold night.
 In the morning, 'tis the morning of my life
 In the daytime, I will meet you as before.
 You will find me waiting by the ocean floor.
 Building castles in the shifting sands,
 In a world that no one understands.
 In the morning, 'tis the morning of my life.

'tis the morning of my life

In the morning of my life,
 The minutes take so long to drift away.
 Please be patient with your life,
 It's only morning and you're still to live your day.
 In the evening, I will fly you to the moon.
 To the top right corner, of the ceiling in my room.
 Where we will stay until the sun shines,
 Another day to swing on clothes lines.
 May be yawning, 'tis the morning of my life
 'tis the morning of my life
 In the morning. In the morning. In the morning.
