

Bee Gees - Mr, Natural

Tom: C

Burning embers.
 I still remember all of those little things.
 But I don't feel it so much 'cause I am so out of touch
 with my heart and it won't sing.
 Rusty rainbows.
 That's how the pain goes, turning me inside out
 Well, I come home at night and you are out of my sight.
 Yes. I'm dying and there ain't no doubt.
 Well, I'm dying and there's no way out

Well I try try try try try
 Mr. Natural (come on baby)
 When I walk in the rain you won't know that I'm crying.
 A smile on my face and I'm trying.
 I'm trying to understand that a love that is lost can never
 be found again.
 And you can see me dance, I look like a happy man

Just when I think I'm getting it over, an old friend I should see.
 He said he knew you well , and baby I could tell .
 You know he knew you more then me.
 I went home laughing and inside I'm crying
 We had a special thing .
 You know I loved you so much , but girl I'm so out of touch
 with my heart and it won't sing
 You know my heart just won't sing.

Well I try try try try try
 Mr. Natural (come on baby)
 When I walk in the rain you won't know that I'm crying.
 A smile on my face and I'm trying.
 I'm trying to understand that a love that is lost can never
 be found again.
 And you can see me dance, I look like a happy man
 Still I try try try try try .
 Mr. Natural (come on baby)
