

# Bee Gees - Mr, Natural

Tom: C

Burning embers.  
 I still remember all of those little things.  
 But I don't feel it so much 'cause I am so out of touch  
 with my heart and it won't sing.  
 Rusty rainbows.  
 That's how the pain goes, turning me inside out  
 Well, I come home at night and you are out of my sight.  
 Yes. I'm dying and there ain't no doubt.  
 Well, I'm dying and there's no way out

Well I try try try try try  
 Mr. Natural (come on baby)  
 When I walk in the rain you won't know that I'm crying.  
 A smile on my face and I'm trying.  
 I'm trying to understand that a love that is lost can never  
 be found again.  
 And you can see me dance, I look like a happy man

Just when I think I'm getting it over, an old friend I should see.  
 He said he knew you well , and baby I could tell .  
 You know he knew you more then me.  
 I went home laughing and inside I'm crying  
 We had a special thing .  
 You know I loved you so much , but girl I'm so out of touch  
 with my heart and it won't sing  
 You know my heart just won't sing.

Well I try try try try try  
 Mr. Natural (come on baby)  
 When I walk in the rain you won't know that I'm crying.  
 A smile on my face and I'm trying.  
 I'm trying to understand that a love that is lost can never  
 be found again.  
 And you can see me dance, I look like a happy man  
 Still I try try try try try .  
 Mr. Natural (come on baby)
