

Bee Gees - My Lovers Prayer

Tom: D

Em Bm Em Bm A G

D In the history of a life takes a heart,

when the power of love comes together,

there ain't nothing can tear us apart.

And the touch of your hand I can feel

that what we got is stronger than steel.

That's when you hear..

.

..my lover's prayer.

It's my own silent message to you.

Takes me there, my lover's prayer,

and my soul is divided in two.

With my love on the line

I send it all over the world,

out on the air.

'Cause I can't let go

and my heart has a mind of its own.

It's my lover's prayer.

D It's the mystery of a place blessed by us,

and the moment of truth is forever,

in the face of incredible odds.

And the look in your eyes tells me why.

Let our words burn a sign in the sky.

My lover's prayer.
