**E7** The look in your eyes, to see your smile **Gb7**

**G** Won't bring you back to me **D**

I remember things we planned  
The world would never understand but we found a way

And the world of love you gave to me  
Each moment is a memory, whatever they say

As I gaze upon a sea of smiling faces  
Walk amongst the glow of moonlit places  
The look in your eye, to see you smile  
Won't bring you back to me  
For the look in your eye, to see your smile  
Won't bring you back to me

Yesterday was history who knows what there is gonna be when me meet again  
Will you smile and tell the world about me  
Can there be no doubt about me I was your friend

As I gaze upon a sea of smiling faces  
Walk amongst the glow of moonlit places  
The look in your eye, to see your smile  
Won't bring you back to me  
For the look in your eye, to see your smile  
Won't bring you back to me  
For the look... (repeat lines and fade out)
