

Bee Gees - Secret Love

Tom: D

(Barry Gibb, Maurice Gibb e Robin Gibb)
 High Civilization
 Faixa: 2 - Duração: 3'42"

D Em7
 When do I cry
 Gbm
 This breaking heart
 G
 Just hurts me more
 A Gbm
 When we're apart
 Bm Em
 And there are two of us
 G A
 With our secret love
 D Em
 Sleep pretty baby while you wait so long
 G A D
 Living with a love that's not just make believe
 Gbm G A D
 Lonely night, I see your candle glow
 Bm
 And in my mind, I trace
 Em A
 Together we can take away the time and the space
 E A
 Baby when you got a secret love
 B Abm
 Every little touch is not enough
 Dbm Gbm
 Every little moment we're apart
 B
 Is pain to me
 F Bb
 Maybe we can find some hideaway
 C Am
 Everybody knows but who can say
 Dm
 Secretly you know I'd follow
 Gm C D A
 Anywhere to make you happy
 E A
 Anyway you want me I'll be standing by
 A B E
 I don't wanna lose the one I hunger for
 Abm A B E
 Naked eyes, they watch us everywhere
 Dbm
 Nowhere to run, I cry
 Gbm B
 Everything to lose and no alibi
 F Bb
 Baby when you got a secret love

C Am
 Nothing you can do but rise above
 Dm
 Secretly you know I'd follow
 Gm C D
 Anywhere to make you happy
 D Em7
 There's no goodbye
 Gbm
 This breaking heart
 G
 Just hurts me more
 A Gbm
 When we're apart
 Bm Em
 And there are two of us
 G
 With our se.....cret love
 [together we can take away the time and the space]
 E A
 Baby when you got a secret love
 B Abm
 Nothing you can do but rise above
 Dbm Gbm
 Every little moment we're apart
 B
 Is pain to me
 F Bb
 Maybe we can find some hideaway
 C Am
 Everybody knows but who can say
 Dm
 Secretly you know I'd follow
 Gm C F
 Anywhere to make you happy (secret love)
 Bb
 Baby when you got a secret love
 C Am
 Every little touch is not enough
 Dm Gm
 Every little moment we're apart
 C
 Is pain to me
 F Bb
 Maybe we can find some hideaway
 C Am
 Everybody knows but who can say
 Dm
 Secretly you know I'd follow
 Gm C F
 Anywhere to make you happy (secret love)
 Bb
 Baby when you got a secret love
 C Am
 Every little touch is not enough...
