

Bee Gees - Someone Belonging To Someone

 Intro: Dm Am Dm

I know how I feel
 Lonely in the black of night
 There can be no love for me now
 Nobody listens when the words ain't right
 And you get into someone else
 It's hard for me to know, who's lovin' who
 And where do I stand
 What did I do it all for
 There's no one I could love more
 I did it for your heart alone
 All that I try to be growin inside to me
 I can be strong if you're there
 And there is someone belonging to someone

And I got no one belonging to me
 Caught in a world where the face of an angel
 Is all a fool can see
 You got the power to find me whenever I'm lost
 Where are you? Who are we?
 I believe in time
 Can eat away a heart of stone
 And baby if I leave you too late
 It's just a feather and the bird has flown
 It's colder when the fire dies

And all the trouble I'm in if I lose you too
 Then what is my life
 If I don't wanna go through
 Anything without you
 Couldn't be a life at all
 I could be lyin' on, you are the only one
 We didn't make it by chance
 And there is someone belonging to someone
 And I got no one belonging to me
 Caught in a world on the edge of tomorrow
 Is all a fool can find
 I don't belong in the arms of a love that is lost
 Nowhere to cry
 There must be something we can say my love
 Something except goodbye
 Then what is my life
 If I don't wanna go through
 Anything without you
 Couldn't be a life at all
 I could be lyin' on, you are the only one
 We didn't make it by chance
 And there is someone belonging to someone
 And I got no one belonging to me
 And there is someone belonging to someone
 And I got no one belonging to me
