I know how I feel  
 Lonely in the black of night  
 There can be no love for me now  
 Nobody listens when the words ain't right  
 And you get into someone else  
 It's hard for me to know, who's lovin' who  
 And where do I stand  
 What did I do it all for  
 There's no one I could love more  
 I did it for your heart alone  
 All that I try to be growin inside to me  
 I can be strong if you're there  
 And there is someone belonging to someone

And I got no one belonging to me  
 Caught in a world where the face of an angel  
 Is all a fool can see  
 You got the power to find me whenever I'm lost  
 Where are you? Who are we?  
 I believe in time  
 Can eat away a heart of stone  
 And baby if I leave you too late  
 It's just a feather and the bird has flown  
 It's colder when the fire dies

And all the trouble I'm in if I lose you too  
 Then what is my life  
 If I don't wanna go through  
 Anything without you  
 Couldn't be a life at all  
 I could be lyin' on, you are the only one  
 We didn't make it by chance  
 And there is someone belonging to someone  
 And I got no one belonging to me  
 Caught in a world on the edge of tomorrow  
 Is all a fool can find  
 I don't belong in the arms of a love that is lost  
 Nowhere to cry  
 There must be something we can say my love  
 Something except goodbye  
 Then what is my life  
 If I don't wanna go through  
 Anything without you  
 Couldn't be a life at all  
 I could be lyin' on, you are the only one  
 We didn't make it by chance  
 And there is someone belonging to someone  
 And I got no one belonging to me  
 And there is someone belonging to someone  
 And I got no one belonging to me
