

Bee Gees - Someone Belonging To Someone

```
And all the trouble I'm in if I lose you too
                          tom:
              Fm (forma dos acordes no tom de Em )
Capostraste na 1º casa
                                                           Then what is my life
Intro: Dm Am Dm
                                                                     Bm
      Am Cm
                                                           If I don't wanna go through
                                                                  Bm
                                                           Anything without you
       Em
I know how I feel
                                                           Em
                                                                  \mathsf{Am}
                                                           Couldn't be a life at all
        Bm
Lonely in the black of night
                                                           Cm
                                                                        Cm
                                                           I could be lyin' on, you are the only one
        Em
There can be no love for me now
          Bm
Nobody listens when the words ain't right
                                                           We didn't make it by chance
                                                               G Em Bm7 Am7
        Am
And you get into someone else
                                                           And there is someone belonging to someone
                                                                G Em Bm7
          Am
It's hard for me to know, who's lovin' who
                                                           And I got no one belonging to me
                                                           Am7
                                                                       Cm
And where do I stand
                                                           Caught in a world on the edge of tomorrow
                                                                         Bm7
        Bm
                                                             G
                                                           Is all a fool can find
What did I do it all for
 Em
                Bm
                                                                 Cm
                                                                                        G
There's no one I could love more
                                                           I don't belong in the arms of a love that is lost
               Am
                                                            Bm7
I did it for your heart alone
                                                           Nowhere to cry
All that I try to be growin inside to me
                                                           There must be something we can say my love
                                                                      Cm
I can be strong if you're there
G Em Bm7
                                                           Something except goodbye
                       Bm7 Am7
                                                                 G
And there is someone belonging to someone
                                                           Then what is my life
                                                                     Bm
                                                           If I don't wanna go through
           Em
And I got no one belonging to me
                                                                 Bm
                                                           Anything without you
Am7
                Cm
Caught in a world where the face of an angel
                                                           Em
                                                                   Am
                                                           Couldn't be a life at all
          Bm7
                                                                      Cm
Is all a fool can see
Am7 Cm
                         G
                                                           I could be lyin' on, you are the only one
You got the power to find me whenever I'm lost
                                                           We didn't make it by chance
G F Eb Eb Db Cm
Where are you? Who are we?
      Em
                                                                               Gm
                                                                                      Dm7 Cm7
                                                           And there is someone belonging to someone
I believe in time
                                                                Bb Gm Dm7
     Bm
Can eat away a heart of stone
                                                           And I got no one belonging to me
                                                                           Gm
                                                                                   Dm7 Cm7
                                                           And there is someone belonging to someone
And baby if I leave you too late
                                                                Bb Gm Dm7 Cm7
               Bm
It's just a feather and the bird has flown
                                                           And I got no one belonging to me
It's colder when the fire dies
