

Bee Gees - Still Waters Run Deep

Tom: D

A
Still waters run deep
Bm
Just remember when we lie to each other

No one wins and losers weep
A
Reflection will show
Bm
This connection we can lean on each other
This is all we need to know

A
Now I admit I've been a fool sometimes
G G: 654321 x05433
I believe I may be losing you
A **Gbm** **Dbm**

It's now or never, we talk before a tear is shed
Gbm **Bm**
Under your spell and over my head

Dbm
You took me in your arms and you told me
D
We don't need to worry, but you

You never say you're sorry

A **F** **G** **A**
Keep this love alive for us, it's all I feel
F **G** **A**
How can we survive if we change what is real

Still waters run deep
Just remember when we lie to each other
No one wins and losers weep
Deceptions will show
It's a struggle when your starved for affection
This is all we need to know

F G A F G A

I see the angel and the devil in your heart
I confess, either one is my addiction

Where your leading me
I don't have the will to fight
Out of the darkness and into the light
But living in your arms, I can take it
Please don't make me shiver
I know together we deliver

Let the gods decide who finds the sweetest thrill
Who can justify the truth?
I love you still

Still waters run deep
Just remember when we lie to each other
No one wins and losers weep
Deceptions will show
It's a struggle when your starved for affection
This is all we need

Dbm
Ooh
Bm
Don't let him get close to you

You've got a stranger on your mind
Dbm
The dream is free

Bm
I know I'm only human if I cry
A
Or maybe we should kiss and say goodbye

F G A F G A

Still waters run deep
Just remember when we lie to each other
No one wins and losers weep
Deceptions will show
It's a struggle when your starved for affection
This is all we need to know

Still waters run deep
Just remember when we lie to each other
No one wins and losers weep
Reflection will show
This connection we can lean on each other
This is all we need to know
