

# Bee Gees - Then You Left Me

Tom: C

I never ask for any time from you, baby.  
 I never ask for any lies.  
 You only hurt the one you love the most, baby.  
 You only had to make me cry.  
 'Cause you left me (you left me)  
 all alone (you left me).  
 You left me (you left me)  
 to stand alone.  
 And every night I sit beside my bed, baby.

And I keep thinking of your love.  
 The things we dreamt about.  
 How much I love you, baby.  
 We had the world and the stars above.  
 But then you left me (you left me)  
 all alone (you left me).  
 You left me, you left me (you left me)  
 to stand alone.  
 Ah. You left me to stand alone.  
 Ah. You left me to stand alone.  
 You left me. You left me.  
 You left me. You left me.
