

Bee Gees - To Love Somebody

tom: A

There's a light
 A certain kind of light
 That never shone on me
 I want my life to be
 Lived with you
 Lived with you

There's a way
 Everybody say
 To do each an every little thing
 But what does it bring
 If I ain't got you, ain't got you

Refrão:
 You don't know what it's like, baby
 You don't know what it's like
 To love somebody

To love somebody
 The way I love you
 In my brain
 I see your face again
 I know my frame of mind
 You ain't got to be so blind
 I'm blind, so so so blind
 I'm a man, can't you see what I am
 I live and breathe for you
 But what good does it do
 If I ain't got you, ain't got you

Refrão:
 You don't know what it's like, baby
 You don't know what it's like
 To love somebody
 To love somebody
 The way I love you
