

Bee Gees - Weddinig Day

Tom: **G**

D
We both acknowledge what we came here for
A
We take each other and walk through the open door
G
From the first time that I saw you

To the way you look tonight
D
I was shaken by your spirit
A
I was blinded by your light

D
And the world that I used to see is gone without a trace
A
Replaced by your eyes and the smile upon your face
G
And I will not turn away
'Cause you might disappear
D
I was haunted by your heart
A
And I felt that you were here

D
And funny when the time is right
A
When lightning strikes
G
You're not alone
D
Baby, I will pray for you my whole life through
A
This day

D
We'll be together
Bm
Husband and wife
Em
Now and forever
A **G**
The rest of our lives
D
Well, take me to Heaven
Bm
Take me tonight
Em
There is nothing words can say
A **D**
On this our wedding day

D
Oh, now is the hour, now is the sowing of the seed
A
I will take tomorrow

I will lay it at your feet
G
And the two of us escape from the sadness of the world
D
From the thunder and the darkness
A
From the hunger and the hurt

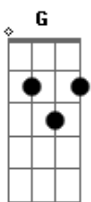

D **A**
You know I will remember well the mission bell
G
That rings your name
D
And baby there could never be
A **Em** **G**
A memory like you

D
We'll be together
Bm
Husband and wife
Em
Now and forever
A
Lovers for life
D
Well, take me to Heaven
Bm
Take me tonight
Em
There is nothing words can say
A **D**
On this our wedding day

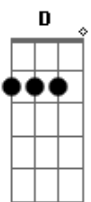

Bb
This is my pledge to you
C **D**
I will follow through to the end
Bb
And we will find another plane
C
We'll be home again
Em **A**
And tonight I'm going to find true love, true love

D
We'll be together
Bm
Husband and wife
Em
Now and forever
A
Lovers for life
D
Well, take me to Heaven
Bm
Take me tonight
Em
There is nothing words can say
A **D**
On this our wedding day
