

# Bee Gees - You Stepped Into My Life

Tom: C

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Am** You stepped into my life,

stepped into my life,

stepped into my **Em** life

and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so.

Before you came my way **Am**

I always checked this out, **C**

so much pain in love **B7**

and so alone inside. **Em**

I never thought **Am** that I'd

believe in love so much, **C**

but, darling, when you came close to me, **B7**

suddenly, suddenly.

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Am** You stepped into my life,

stepped into my life,

stepped into my **Em** life

**Bm7** **Em** **C** **Bm7** **Em** **C** **Bm7** **C** **B7**

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so.

You will **Am** never know

What you have done, my love. **C**

You gave me so much more **B7**

Than my love is worthy of. **Em**

Beneath my ver'y soul **Am**

I kneel before your touch. **C**

Your touch is ecstasy, **B7**

close to me,

suddenly, suddenly.

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so happy.

**Am** You stepped into my life,

stepped into my life,

stepped into my **Em** life

and I'm, **Bm7** oh, so happy.

**Em** You stepped into my life and I'm, **Bm7** oh, so. **Am** **Em7**
