D

I couldn't figure why

You couldn't give me what everybody needs

I shouldn't let you kick me when I'm down

My ba...by

I find out everybody know that you've been using me

I'm surprised you

Let me stay around you

One day I'm gonna lift the cover

And look inside your heart

We gotta level before we go

And tear this love apart

There's no fight you can't fight

This battle of love with me

You win again

So little time

We do nothing but complete

There's no life on earth

No other could see me through

You win again

Some never try

But if anybody can, we can

And I'll be, I'll be

Following you

Oh Girl, Oh Girl

Oh baby I shake you from now on

I'm gonna break down your defenses

One by one

I'm gonna hit you from all sides

Lay your fortress open wide

Nobody stops this body from

Taking you

You better beware, I swear

I'm gonna be there one day when you fall

Bm

I could never let you cast aside

The greatest love of all

There's no fight you can't fight

This battle of love with me

You win again

So little time

We do nothing but complete

There's no life on earth

No other could see me through

You win again

Some never try

But if anybody can, we can

And I'll be, I'll be

Following you

Oh Girl

Eb Ab Bb Eb

You win again

So little time

We do nothing but we complete

There's no life on earth

No other could see me through

You win again

Some never try

But if anybody can, we can

And I'll be, I'll be

Following you

Eb Ab Bb Eb

You win again

So little time

We do nothing but we complete

There's no life on earth

No other could see me through

You win again

Some never try

But if anybody can, we can

There's no fight, you can't fight

This battle of love with me

You win again

So little time  
 We do nothing but we complete  
 There's no life on earth  
 No other could see me through  
 You win again  
 Some never try

But if anybody can, we can  
 There's no fight, you can't fight  
 This battle of love with me  
 You win again  
 So little time...
