

# Bee Gees - Youll Never See My Face Again

tom:

D

Ev'ry single word has been spoken  
D  
It's much too late to change your ways  
D  
Far too many vows have been broken  
D  
You can't expect a soul to stay  
G D  
You think that you can stand and lie  
D (G)  
It makes me laugh, you got no friends  
Em C G F  
It took a thousand years to find out why  
A D  
You'll never see my face again

D  
You know that you've been left before this night  
D G D  
It's come my turn to make it over  
D  
I wish that ev'ry thing was colored white  
D G D  
I wish that I could be a rover

You think that you can stand and lie  
D G (G)  
It makes me laugh, you got no friends  
Em C G F  
It took a thousand years to find out why  
A D  
You'll never see my face again

D  
Ev'ry single word has been spoken  
D G D  
It's much too late to change your ways  
D  
Far too many vows have been broken  
D G D  
You can't expect a soul to stay

G C  
You think that you can stand and lie  
D G (G)  
It makes me laugh, you got no friends  
Em C G F  
It took a thousand years to find out why  
A D  
You'll never see my face again

D  
You'll never see my face again  
You'll never see my face again  
You'll never see my face again  
You'll never see my face again
