

# Bee Gees - Youll Never See My Face Again

tom:  
 D  
 Ev'ry single word has been spoken  
 D G D  
 It's much too late to change your ways  
 D  
 Far too many vows have been broken  
 D G D  
 You can't expect a soul to stay  
 G C  
 You think that you can stand and lie  
 D G (G )  
 It makes me laugh, you got no friends  
 Em C G F  
 It took a thousand years to find out why  
 A D  
 You'll never see my face again  
 D  
 You know that you've been left before this night  
 D G D  
 It's come my turn to make it over  
 D  
 I wish that ev'ry thing was colored white  
 D G D  
 I wish that I could be a rover

You think that you can stand and lie  
 D G (G )  
 It makes me laugh, you got no friends  
 Em C G F  
 It took a thousand years to find out why  
 A D  
 You'll never see my face again  
 D  
 Ev'ry single word has been spoken  
 D G D  
 It's much too late to change your ways

 A D  
 You'll never see my face again  
 D  
 You'll never see my face again  
 You'll never see my face again  
 You'll never see my face again  
 You'll never see my face again
