

Beeshop - Gizmo

tom:

Intro: Em7 Cadd9 Dadd9 G

Em7 Cadd9
We're always running from the brighter lights
Dadd9
There's so much going on, so many things in our minds G
Em7 Cadd9
There's no escape, seems like we're running blind
Dadd9 G
But, honey, how ridiculous was that?
Em7 Cadd9
Dadd9
You're not a kid anymore, baby, what are you looking for?
G
If we fall in love then we have got to kiss the ground
Em7 Cadd9
It is the same as before Dadd9 G
We're always begging for more
Am7 Bm7
One day this will all crumble down
But for the next two bars
Cadd9 Dadd9
I'll be waiting for you to decide (yeah!)
G D
There won't be another way

Em7 Am7
Why don't we fall in love today
What made you decide
Bm7 Cadd9 Dadd9
What made you believe your heart was wrong?
G D
There won't be another way
Em7
Why don't we just quit playing games?
Am7 Bm7
We're both searching the same thing
Cadd9 Dadd9
So why don't we kiss before I'm gone?
Em Aadd9
And when you realize I'm not regular
D7 G
My teeth will be deep in your jugular
Em Aadd9
You'll be one of us, and I'll be entirely yours
D7 G
Let's scare the shit out of those idiots!
G Aadd9 D7 G
And if there's fun, let's have some
And if there's booze, let's drink some
And if there's love, let's make some
It would be so awesome!
There won't be another way
We're playing games with my heart
