

# Beeshop - Go On

Tom: C

And as I see you walk away  
 It blurries my eyes  
 I've got nothing left to say  
 Just a bunch of lies

Because you don't know what you are doing  
 You say our love isn't true  
 Well you don't know what it feels to be alone,  
 Alone...

So go on!  
 Go on and see how long you can survive  
 Without the one that makes you feel alive  
 When you're down, down, down  
 So go on  
 So go on  
 So go on...

And as my memories fade  
 Like polaroids  
 I see the dreams of both of our lives  
 As the're destroyed  
 Yeah!

Because you don't know what you are doing  
 It isn't as it seems  
 Well you don't know what it feels to be alone,  
 Alone...

So go on (so go on)  
 Go on and see how long you can survive  
 Without the one that makes you feel alive  
 When you're down, down, down  
 So go on (so go on)  
 So go oooooonnn...  
 (As my memories fade)  
 So go on!  
 (like polaroids)

So go on!  
 (As I see you walk away)  
 (I'll never, never, never...)

So go on (so go on)  
 So go on (so go on)  
 So go on (so go on)

So go on (yeah)  
 So go on (so go on)  
 So go on

## Acordes
