

# Beeshop - How Are You Now?

Tom: C

Let me <sup>Db</sup> introduce myself <sup>Bb</sup>  
 I haven't been here for a long time <sup>F</sup> <sup>Ab</sup>  
 Been looking <sup>Db</sup> for somebody else <sup>Bb</sup>  
 But only here <sup>F</sup>  
 I feel alright <sup>Ab</sup>  
 How are you now? <sup>Db</sup> <sup>Bb</sup>  
 I've been floating through the stars <sup>F</sup> <sup>Ab</sup>  
 Just to be inside your mind <sup>Db</sup> <sup>Bb</sup>  
 I wanna wake up where you are <sup>F</sup> <sup>Ab</sup>  
 I wanna hold your hand tonight <sup>Db</sup>  
 How are you? <sup>Bb</sup>

How have you been? <sup>Ab</sup>  
 Did you miss me? <sup>Db</sup> <sup>Bb</sup>  
 And where did you go? <sup>F</sup> <sup>Ab</sup>  
 Where were you all this time?  
 When it feels like home <sup>Db</sup> <sup>Bb</sup>  
 In your dreams, i walk alone <sup>F</sup> <sup>Ab</sup>  
 I'm trying to find an escape <sup>Bb</sup> <sup>Db</sup>  
 Tonight <sup>F</sup>  
 When it feels like home <sup>Db</sup> <sup>Bb</sup>  
 In your dreams, i sing this song <sup>F</sup> <sup>Ab</sup>  
 Please don't mind <sup>Bb</sup>  
 Please don't wake up <sup>Db</sup>  
 Tonight <sup>F</sup>

## Acordes
